

PILOT PAYS A TRIBUTE TO FITZGERALD

The Boston Pilot, the official organ of the Roman Catholic archdiocese of Boston, pays the following editorial tribute to Mayor-elect John F. Fitzgerald:

"The Pilot offers hearty congratulations to Mr. Fitzgerald upon his election to the high and responsible office of Mayor of Boston. Mr. Fitzgerald has all the ability to make an excellent and competent Mayor.

"The people of Boston have gleaned him the opportunity to prove not only this but much more. It is not only Mr. Fitzgerald's honor which is now at stake. Mr. Fitzgerald is too much a man of the world not to know how freely the world looks hot and cold, as the whim is upon it. Honesty and dishonor judged by its standards is very relative. No man is ever quite good or quite bad. It is not only the good but also even the worst the world can see is soon forgotten if conscience is not

of the world—he is a Catholic Christian. As such he knows that he is responsible before a higher and more inflexible tribunal than that of a popular election. That he will realize this in his administration, and thus violently not merely be encouraged, but the better of every Catholic in Boston, is the hope, and we may add the belief, of The Pilot. It is not only Mr. Fitzgerald's name, which must be kept untarnished; it is the Catholic name.

"Thousands will give the Maynooths their schools and Syrian prayers, and merely for success, but for grace and light to do his duty well."

I Make Another Killing

A black and white caricature of a man with a disproportionately large head. He has dark, wavy hair and a serious expression. He is dressed in a formal suit, including a white shirt, a dark tie, a dark vest, and light-colored trousers. He is holding a large T-square in his left hand, which is resting on his hip. His right hand is also on his hip. The drawing style is simple and graphic, with bold lines and cross-hatching for shading.

George H. Hoyt & Company of 34th street New York, next door to the Waldorf-Astoria, is the latest and best concern to sell out to Mitchell the tailor.

Arbiter of fashion to the glided youth of extravagant New York and profligate Pittsburg, the Hoyt people carried in stock only princely weavers in English worsteds and Scotch tweeds—the real kind, goods costing \$3 to \$7 a yard.

These goods are shown in my open doorway bearing the original Hoyt tags, showing the price they sold for in New York and Pittsburg. Out in the street where you can see them, I have the same goods for sale without solicitation I place them. Take your choice and call the cutter to measure you.

15th Anniversary Sale of Nemo Corsets

Introducing the New LASTIKOPS BANDLET

Perfection in Corsets

Many thousands of women have already convinced themselves that the new Nemo No. 522 is the GREATEST corset ever made. Stout women—even those who were already wearing the other Self-Reducing Corsets—find that No. 522 still further reduces their figures by from 2 to 4 inches. Women of medium and even slight figure are buying No. 522 because it produces extreme slenderness with perfect comfort. And it's a WONDERFUL VALUE at \$5.00. The new "Lastikops Bandlet" takes the place of the best abdominal belt you can buy at from \$5 to \$15—does better work, can't slip (therefore is more comfortable), and lasts longer than any belt; yet you get it WITHOUT EXTRA CHARGE in the new—

Nemo Self-Reducing with Lastikops Bandlet \$5.00

The "Bandlet" is semi-elastic, curves under the abdomen, holds the internal organs firmly in place—acts as tight as you like, for it won't harm you. And the front steels can't stick out below when you sit down—that's VERY IMPORTANT.

Other Nemos \$3 to \$10.00

Don't fail to attend the Nemo Fifteenth Anniversary Sale, now on in good stores everywhere.
